STAT

12. [] Talked with Al Westphal, House Foreign Affairs Committee staff, in connection with the administrative leave arrangements arising out of Vietnam injuries. This is scheduled for action soon and he had a number of questions.

STAT

13. [] Alerted Mr. Woodruff, Senate Appropriations Committee staff, that Senator Williams had announced on the floor and laid on the table various amendments to the pay bill including the freeze on positions. Woodruff advised that he had spoken to both Senator Mundt and Senator Milton Young who agreed to talk with Senator Williams and he would advise further. Later, Woodruff indicated that Senator Williams wanted some explanation of the effect on the Agency and could we give him something for Senator Young. Appropriate material was prepared and discussed later with Senator Young. He indicated that it might be well if we talked to Senator Williams directly. I indicated that I thought it would be better if we were insulated. It was agreed we would respond if Senator Williams came to us. The papers were placed in Woodruff's safe for over-night storage and eventual return to the Agency.

STAT

14. [] Talked with Senator Henry M. Jackson about the Williams amendment also. He too agreed that it was best not to approach Williams. He said he would concert with Senators Mundt and Young tomorrow how to handle this matter.

Senator Jackson then asked about the [] case asking if there was any more favorable consideration that could be given to contract payments. I said I would look into this and advise.
